

Hyundai **ELANTRA**

Ace the chase

 HYUNDAI

Don't just chase, ace it.

The new ELANTRA introduces "DYNAMIC PRECISION", the identity of a brand new exterior style through Fluidic Sculpture 2.0. The exterior comprises of a dynamic and sophisticated profile and completes the modern and future-oriented design.

Opt for Hyundai ELANTRA, your next move towards victory.

 2.0L I4 DOHC 16 Valves

 154 HP @ 6,200 rpm

 6-Speed Automatic Transmission

Clear the roads for a grand impression

Dare yourself to be the heroic front of
all endeavors that pushes beyond the ordinary.
Be bolder. Be fearless.
Be the finish line in the race to success.

**Sporty Bumper
with Air Curtains**
To help elevate looks along
with aerodynamics.

Hexagonal Radiator Grille
Hyundai's signature hexagonal front grille
creates a bold and dynamic design identity.

Light up the path ahead

Tetra LED Projection headlamps improve lighting performance at wider angle to secure a sufficient view for the driver.

Headlight Delay

The lights guide you to the doorstep as they remain lit till 15 seconds after you lock the vehicle.

Daytime Running Light (DRL)

Daytime running light's (DRL's) slick wing design delivers a future-oriented image.

Tetra LED Headlamps

Tetra LED headlamps illuminate the road with crisper, more intense light than any other headlamp while using lesser power.

A power packed profile

A profile packed with noticeably remarkable features are all what make the ELANTRA a standout car.

LED Outside Mirrors
Mirrors are electrically -controlled, while LED repeaters add a touch of refinement.

Shark Fin Antenna
The shark fin antenna, which boasts superior sensitivity, is a premium styling point in the sporty exterior design.

Character Line
Emphasizes the ELANTRA'S dynamic but refined image by accentuating the side character line and volume on the lower side area.

16" Alloy Rims

The smarter, the better

When you open the doors to the future, it has to be in style. Equipped with innovative and advanced Smart Entry system, the Smart Door handles illuminate as you move to enter.

Engine Start/Stop Button

The engine starts quickly at the press of a button when the Smart Key is inside the vehicle.

SmartTrunk

When a person holding a Smart Key stays in a position nearby the rear trunk for approximately 3 seconds or longer, the trunk lid will be propped upward.

SmartDoor
Handle

Give your followers a great view

The ELANTRA comprises of a dynamic, moderate and sophisticated profile and offers a modern, sporty and future oriented design.

LED Rear Combination Lamp

Produces a multi-dimensional and premium feel using high-tech graphic details.

Sporty Bumper with Reflectors

Rear Camera with Dynamic Parking Guidelines

Open up to new challenges

Beauty that transcends within, manifesting an open-air driving experience into an alluring interior and exterior design.

Smart Power Sunroof

The sunroof is made for those special days when you want to enjoy the sunshine and fresh breeze. A safety sensor prevents closure.

Drive from a position of power

The Hyundai ELANTRA comes with a 2.0 MPi gasoline engine that makes it the most powerful in its class. This allows the driver to accelerate whenever and as much desired.

2.0 MPi Gasoline Engine	
Engine type	DOHC
Displacement (cc)	1,999
Max. Power (HP(ps)/rpm)	154(156)/6,200
Max. Torque (N·m/rpm)	195/4,500

Lightweight

- Aluminium Block, Plastic Intake Manifold.

High Fuel Efficiency

- Low Friction Seal, Friction Reduction. Coatings on Moving Systems.
- Exhaust Cooling Reinforcement.

Quietness

- Lower Crankcase, Direct Accessory.

Optimized and comfortable

Displaying confident mastery over materials and forms, the cabin space exudes an air of inviting comfort and luxurious exclusivity.

Claim your throne

Discover Hyundai's secret for comfort in the fully adjustable, 10-way powered driver seat; which comes fully equipped with Lumbar Support.

Front Console Box

Cup Holders

2-Way Powered
Lumbar Support

8-Way Powered Driver Seat

Step out of the ordinary as you step in

From the basic layout to the execution of the details, the ELANTRA'S interior design reveals itself to be roomy, comfortable and simply brilliant.

Rear Armrest with
Cup Holder

Rear AC Vents

Seat Folding System (60:40 type)

The rear seats can be folded flat in 60:40 ratio and create a conveniently versatile load space.

Break through the barriers of the ordinary

Driver centric horizontal layout, arrangement of buttons grouped by function and ergonomic design redefine the interior experience in the ELANTRA.

Move the world as you move ahead

Captivating multimedia and atmospheric adjustments secure exceptional convenience.

7" Infotainment System
Can be operated conveniently thanks to its touchscreen. The Bluetooth function lets the driver listen to music and make calls safely while driving.

Wireless Charging

Clean Air

An in-car ionization system

that helps to purify the air

flowing in through the climate

control system.

Dual Zone Auto Air Conditioning

The driver and passenger enjoy individually customized comfort.

Set your pace
to the beat

6 surround sound speakers built into the car for
loud and clear music.

Accelerate to innovation

Cluster gauge integrates 4.2" TFT LCD screen which with its circular rev counter and speedometer is illuminated with backlighting for optimum clarity and readability.

Supervision w/ 4.2"
TFT LCD Screen

Fuel Economy Screen

Digital Speedometer
Get a precise digital reading of your speed.

Take control of your destination

The view before the view. Settle affront a leather stitched tilt and telescopic steering wheel with a horizontally scaped button arrangement for driver convenience.

Multimedia Control

In-Dash Cluster
Illumination
Control

Auto Cruise Control

Shift perspectives as you shift gears

Offering dynamic & efficient driving performance with the help of rapid-shift and optimized gear-ratio, the ELANTRA offers four drive modes and an easy gear shift.

6-Speed Automatic Transmission

Unmatched fuel economy plus dynamic performance

- A new shift pattern with Sport mode.
- Optimized transmission design for best-in-class fuel economy.

Secure your lead

The highest convenience in the class is provided by new technologies related to advanced riding safety, such as the Dual SRS Airbags.

ISOFIX Anchor Points
Are situated behind the rear seat head rest.

ISOFIX Child Seat

High Strength Steel
Extended application of Ultra High Tension Steel Plate reinforces chassis rigidity.

Speed Sensing Door Lock
Automatically locks car doors when the car reaches a certain speed.

Go uphill, fearlessly

Equipped with all the best safety driving features for daily driving and for those occasional maneuvers.

ABS with EBD & BA

Electronic Stability Control (ESC)

Provides optimal control to engine steering device during sudden braking and turning, in order to maintain vehicle stability.

Hill Start Assist
Maintains the brake pressure for a set period of time as you switch from the brakes to the gas pedal.

Traction Control

Take over the road and then
your destination

About Us

Hyundai Nishat Motor (Private) Limited (Hyundai Nishat), a Nishat Group company, is a joint venture among three leading international businesses; Nishat Group, Sojitz Corporation (Japan) and Millat Tractors Ltd. Hyundai Motor Company (Korea) has partnered with Hyundai Nishat for the manufacturing, marketing and distribution of Hyundai's product line in Pakistan. Hyundai Nishat aspires to be amongst the leading auto manufacturers in Pakistan in the coming years to align its track record with other sister concerns of the Nishat Group. Our vision is to become the most valued automobile brand and recreate the global success of Hyundai in Pakistan.

Since our inception in 2017, we are rapidly establishing our 3S distribution network across the country through our partner franchisees. Our manufacturing plant, being set up in the largest industrial estate of Pakistan, avows world class precision with the deployment of the most advanced production techniques.
